

PM for subsidization of Åre arrangers' tickets

Background

Since the arrangers of the Åre ski-trip must be in Åre to be able to carry out the work, subsidization of their tickets can enable the work. The subsidization enables anyone, regardless of their economic situation to apply for the position as Åre arranger.

According to the Swedish Tax Agency, employer's contribution should be paid if a compensation exceeds 1000 SEK. In order for the chapter to avoid paying this fee, the subsidy has been set to 999 SEK.

Subsidization

The arrangers of the Åre ski-trip can get their train ticket and accommodation subsidized. Ski pass will not be subsidized. The subsidy will be a maximum of 999 SEK per person. This amount applies only if the persons in question has not received any other remuneration through other section work during the current tax year.

Budget

This subsidization is only to be paid by travelers and not by the chapter. The subsidization will be reported in the first travel budget, which will be published on the chapters website before booking tickets. It must be clearly stated at the time of booking how much of the ticket cost is being used to subsidize the Åre arrangers trip.
